Dennis Finnerty, Chairperson  
Southampton Town Planning Board  
Southampton Town Hall  
116 Hampton Road  
Southampton, NY. 11968

Dear Mr. Finnerty and Members of the Town Planning Board,

It has come to my attention that a site-plan review proposal from the Village of Sag Harbor has been submitted to the planning board to create a paved municipal impound yard located in the environmentally sensitive Long Pond Greenbelt. The proposed development of the 24.1-acre parcel located in the restricted CR-200 Zoning District and located in the Aquifer Protection Overlay District is habitat for many species of plants and animals, including the NYS Endangered Eastern Tiger Salamander.

I am writing this letter on behalf of the South Fork Natural History Museum (SoFo) and its board of directors to object this proposal and see that it is preserved for many generations to come.

If you have any questions and would like to discuss this matter further, please don't hesitate to call me at 631-537-9735.

Sincerely,

Frank Quevedo  
Executive Director  
South Fork Natural History Museum (SoFo)
